of the
INTELLECTUAL PROPERTY LAW SECTION
of the
CALIFORNIA LAWYERS ASSOCIATION

I. Name and Legal Status

The individuals organized under these Administrative Bylaws shall be known as the “Intellectual Property Law Section of the California Lawyers Association,” hereinafter referred to as the “Section.” The Section is an administrative unit of volunteers and a component part of the California Lawyers Association, a California nonprofit mutual benefit corporation (the “Association”), and is not a separate legal entity. These Administrative Bylaws are promulgated under Article VII, Section 4, of the Association’s corporate Bylaws (the “Association Bylaws”). In the event of any inconsistency between these Administrative Bylaws and the Association Bylaws, the Association Bylaws shall govern.

II. Purposes and Duties

The purposes of the Section shall be to: (a) further the knowledge of the members of the Section in matters pertaining to intellectual property law, including but not limited to patents, trademarks, copyrights, trade secrets, technology, internet, privacy, right of publicity, unfair competition, licensing, and litigation practice particularly related to such law; (b) participate in the formulation, administration and implementation of programs, forums, and other activities for the education of members of the Section in intellectual property law; (c) act upon all matters germane to its purposes as so described in the Association’s Bylaws or referred to it by the Association’s Board of Representatives (the “Association Board”); and (d) make recommendations to the Association Board.

III. Membership

1. Categories. Section membership includes the following categories and types of members:

   a) Member. Members shall have all of the privileges of Membership. In addition, Members may hold any office for which they are eligible and to which they are elected or appointed.

   b) Affiliate Member. Any individual interested in and willing to contribute to Section activities may become an Affiliate Member of the Section. Affiliate Members shall have all of the privileges of Membership but are not eligible to hold any elected or
appointed position, including but not limited to Section Representative, Executive Committee Member, or Interest Group Officer.

c) **Student Member.** Any student pursuing a law degree may become a Student Member of the Section. 2. **Term.** The term of membership in the Section shall be for one year commencing on February 1 each year subject to a two-month grace period for payment of the required fees. The Association Board may extend the grace period as needed. An eligible individual shall be enrolled as a Section Member of the Section upon request and upon payment of the prescribed fee, if any, for such term. Such fees shall be prescribed by the Executive Committee subject to approval of the Association Board and shall be collected by the process established by the Association Board. The Executive Committee may, in its discretion waive, reduce, or refund any such membership fee.

3. **Expulsion.** Upon a determination by the Association Board that any Section Member has engaged in conduct materially and seriously prejudicial to the interests or purposes of the Association, such Section Member may be expelled from the Association.

**IV. Membership Role in Section Governance**

1. **Rights.** Membership in the Section shall not confer upon any individual the status of a “member” of the Association within the meaning of Section 5056 of the California Nonprofit Corporation Law. Section Members shall have the following rights, as set forth in these Administrative Bylaws:

   • Members can nominate themselves for election to the Section Executive Committee;

   • to participate meaningfully in choosing the Section’s nominee to represent the Section on the Association Board, for election by the Association Board (once nominated by the Section, the “Nominee,” and once elected by the Association Board, the “Representative”);

   • to reject the Section’s proposed Nominee;

   • to recall the Section’s Representative; and

   • to nominate candidates for election to the offices of President and Vice President of the Association.
a) **Nominate Candidates for Election to the Section Executive Committee**

Any Member in good standing may nominate themselves for membership to the Section’s Executive Committee by submitting an application in compliance with the Association’s Appointments policies.

b) **Participate in Choice of Section’s Nominee to the Board of Representatives**

Qualifications. Only current or former Executive Committee Members are eligible to become the Section Nominee.

Prior to the naming by the Section of a Nominee, any Section Member may nominate a qualified Member, including himself or herself, to serve as the Section’s representative to the Association. Nominations shall be submitted in writing to the Chair of the Section. On timely receipt of such nomination, the Chair shall promptly confirm the willingness of the individual to serve, and shall submit the list of all persons so recommended, along with any candidates recommended by any other valid means pursuant to these Administrative Bylaws, to the full Executive Committee for its consideration. The closing date for nominations shall be seven calendar days before the Executive Committee meeting at which the Nominee (and an Alternative Nominee) will be selected by majority vote of the Executive Committee. This subsection shall not apply to selection of the Nominee to fill a vacancy outside the regular election process.

c) **Rejection of Section’s Nominee**

A minimum of thirty percent (30%) of Section Members may reject the Section’s proposed Nominee by a petition signed by such members within two weeks after the election of the Section’s proposed Nominee, and delivered to an Executive Committee Officer at the headquarters of the Association on or before the business day following the end of the two-week period. A valid petition shall contain the name, address, signature, and Bar number (if applicable), of each signatory.

On timely receipt of the petition, the Chair shall confirm the validity of the petition and the signatures thereon, and shall promptly remove the proposed Nominee’s name from consideration as the Section’s Nominee, whereupon the Executive Committee Officers shall name (pursuant to any provisions of these Administrative Bylaws concerning the process for selection) a different proposed Nominee. The provisions of this subsection (c) shall apply to each alternate proposed Nominee.

d) **Recall of Section’s Representative**

Independent of the ability of the Executive Committee to recall its Representative as set forth below; Section Members shall have the right to initiate a recall via the following process:
A minimum of thirty percent (30%) of Section Members may recall the Section’s Representative at any time by a petition signed by such members, and delivered to an Executive Committee Officer at the headquarters of the Association. A valid petition shall contain the name, address, signature, and Bar number (if applicable), of each signatory, and all signatures submitted with the petition must have been collected within four months of the submission date. On receipt of the petition, the Nominator, as that term is defined in the Association Bylaws, shall confirm the validity of the petition and the signatures thereon, and shall promptly inform the Chair or President of the Association of the recall. If the validity of the petition is confirmed, a replacement representative shall then be appointed consistent with these Administrative Bylaws. The Section shall not accept more than one recall petition during any single term of a Representative.

Executive Committee Recall. The Chair or any two Executive Committee members may request an action item be placed upon the next Executive Committee agenda to hold a no confidence vote regarding the Section Representative. If at least three-fourths (3/4) of the Executive Committee members then in office vote that they have no confidence in the Section Representative, the Nominator shall immediately forward such recommendation to the Association Board for a removal vote of the Section Representative in accordance with Association Bylaws Article IV, Section 7(a).

e) Nominations by Section Membership for Association President and Vice President

Prior to the regular election by the Association Board of the Association President and Vice President, a minimum of 5% of the Section Members (a) may nominate candidates for President and Vice President of the Association, by a petition signed by such members and delivered to an Executive Committee Officer at the headquarters of the Association on or before July 1 or such other date as set by the Executive Committee. A valid petition shall contain the name, address, signature, and Bar number (if applicable), of each signatory. On timely receipt of such a petition, the Executive Committee Officers shall promptly confirm the validity of the petition, the signatures thereon, and the willingness of the individual to serve. Separately, the Executive Committee may, by majority vote, nominate candidates for President and Vice President of the Association. On timely receipt of the nominations from the Executive Committee, the Nominator shall provide a list of candidates so nominated to the Chair or Secretary of the Association on or before the date set by the Association Board for receipt of such nominations. This subsection shall not apply to selection of Association President or Vice President to fill a vacancy outside the regular election process.

V. Executive Committee

1. Duties. The Section shall be administered by an Executive Committee. The Executive Committee shall assist the Association Board in matters relating to the Section and all other matters referred to the Executive Committee by the Association Board. The Executive Committee shall supervise and direct the affairs and policies of the Section, in accordance with these Administrative Bylaws and the Association’s Bylaws and subject to the oversight of the Association Board. The Executive Committee is not deemed to be an Advisory
Committee of the Association unless specifically designated as such by the Association Board.

These bylaws are intended to provide maximum flexibility to the Executive Committee and, unless specifically provided otherwise, the Executive Committee shall have broad discretion to administer the Section, consistent with the purpose of the Section, in the manner the Executive Committee deems best.

2. **Composition and Election.** The Executive Committee shall consist of a minimum of eleven (11) Members and a maximum of seventeen (17) Members, (plus the non-voting position of immediate past chair), elected by the incumbent Executive Committee members at a meeting of the Executive Committee as set forth in Section 5 below. Nominations for appointment to the Executive Committee must be submitted to the Association Board by the date stated in the Association’s Appointments Policy. The Association Board may, under circumstances described in the Association Bylaws, disapprove individuals nominated for service on the Executive Committee. Members of the Executive Committee shall not receive compensation for their services on the Executive Committee, however the Executive Committee can, if it chooses, adopt a policy to provide for the reimbursement of specified expenses incurred in connection with the performance of their duties.

3. **Qualifications.** Executive Committee members must be current Members. Affiliate Members and Student Members are not eligible. Factors to be weighed in favor include but are not limited to:

The Executive Committee, by a two-thirds vote may remove any member. The Executive Committee may also remove any Executive Committee member who fails to attend three Executive Committee meetings in any consecutive 12-month period. Any vacancy in Executive Committee membership occurring prior to the normal expiration of the term for any reason may be filled for the unexpired portion of the term by the Executive Committee. An interim appointee who has filled a vacancy where the unexpired portion of the term is one year or less is eligible to immediately reapply for a full second term and the time served in the first term shall not count against the time limitations set forth above. Executive Committee terms shall begin and end at the conclusion of the annual meeting of the Association, or until a successor assumes office.

5. **Family and Medical Leave:** Family and medical leave shall be granted to an Executive Committee member for a period not to exceed two (2) years within which time such member may return to the Executive Committee to complete the remainder of his/her term of office. A member of the Executive Committee may waive his or her notice of a meeting in a signed writing delivered to the Secretary of the Section, whether before or after the meeting. In addition, attendance at a meeting without protesting the lack of notice prior to the commencement of the meeting shall constitute waiver of notice of that meeting. At meetings of the Executive Committee, the majority of its members shall constitute a quorum for the transaction of any business. Voting by proxy is not permitted. Unless expressly stated otherwise, the number of people required to carry a vote refer to the number of people present at that meeting and not to the number of members on the committee. Unless otherwise provided for in these Bylaws, every act or decision done or made by a majority of the Executive Committee members present at a meeting duly held at which a quorum is present is the act of the Executive Committee. The Executive Committee may act without a meeting by a poll of its members. In such event, more than half of its members must agree on any action taken. A poll of the members of the Executive Committee may be conducted by the Chair in person, by telephone or by electronic mail. Results of votes taken shall be
recorded by the Secretary.
